Toaster Wars: 1-A Discover Robot

A robot has crashed/fallen from the sky and is now in your back yard.
It is non-functional, but appears repairable.
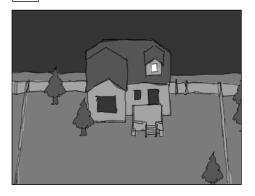

1
1.<suburban neighborhood>
<light sound effects: i.e. crickets>

2
2.<sound effect: very loud crashing sound>

3
3.<light turns on in upstair room>

4
4.<avator appears outside>
"Avator: What WAS that?"

5a
5a.<avator investigates>

5b
5b.<avator investigates continued.>

6
6.<avator discovers a robot amongst space juck, smoke billows from it>
"Avator: Whooooaaaaaa"

7
7.<inside avator's bedroom> <robot on desk> *"Avator: You may be a little toasty, but I think I can fix you"*

8
8. <this leading into our first hacking problem: reboot the robot>

Robot Interface to be determined
